

# TOPS for tots

## Total Oral Prevention Strategies

*TOPS provides comprehensive parent education and early childhood dental prevention services in an effort to eliminate the occurrence of tooth decay in traditionally underserved preschool children.*

**Who:** Parents of preschool children age 0-5 years

**What:** Learn how you can protect your family's teeth from cavities

**Benefits:** Continued dental prevention care for your children including:

- ❖ Dental examination
- ❖ Fluoride treatment
- ❖ Cleaning

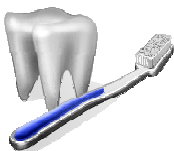

Receive a **free** dental exam for attending

Answers to your family's dental health questions

Assistance in Medicaid/CHP+ enrollment

**When:** Day and evening classes will be offered several times every month in both English and Spanish to fit your schedule

**Where:** TOPS (Total Oral Prevention Strategies)  
3216 High Street  
Denver, CO 80205  
(located on the corner of Martin Luther King Blvd. & High Street, next to the Bethlehem Missionary Baptist Church)

Yes, I would like to attend a free class to learn more about caring for my family's teeth.
